

BY-LAWS OF CAIRNS BASKETBALL INC

As amended 17 July 2023

EXPLANATORY NOTE/INTRODUCTION

This document outlines the by-laws of Cairns Basketball Inc (“CBI”), which carry the full force and effect of CBI. This is covered by clause 46 of CBI’s constitution.

By-laws cover those matters or rules which like the constitution, bind members and the association and those who have agreed to abide by the constitution and by-laws through the application and renewal process. By-laws may only be made or amended by the management committee of CBI. By-laws means by-laws made by the CBI management committee under clause 46 of the constitution.

1. PROXIES

CBI is an affiliated association with Basketball Queensland Limited (BQ).

BQ’s constitution and by-laws require that the constitution of an affiliated association must amongst other things exclude or limit the ability to appoint proxies when voting at an AGM to not more than five proxies per person.

CBI by this by-law therefore limits the number of proxies which a person may vote at CBI’s annual general meeting (AGM) to not more than five proxies per person.

In the event that a person seeks to vote more than five proxies at an AGM only five votes will be counted irrespective of the number of proxies exceeding five that a person may hold.

2. AMENDMENT TO BY-LAWS

NAME	PAGE	DATE
By-laws reviewed or created or rewritten deleted or replaced	1-2	17/07/2023
