4.0 DIVISIONS

4.1 Should nominations in any one Age Division exceed or equal eight (8) teams, the division may be divided in two (2) Competitions (i.e. 'Division A and B') at the CBI General Manager discretion. Teams' eligibility for each division will be determined as follows:

4.1.1 (Autumn Season)

(When players move up to the next age groups)

- i. A meeting of the Junior Committee will be held prior to the CBI Sign-on day.
- ii. Prior to the Autumn Season competition commencing, the Junior Committee may hold grading trials to determine the Divisions in each age group.
- iii. At the Grading Trials day, Round Robin games of 10 to 15 minutes duration will be held to determine what division each team should be allocated to.
- iv. For this purpose, Clubs will be requested to provide coaching personnel to assist with assessing the teams on the Grading Trials day.

4.1.1 (Spring Season)

(When players remain in the same age groups)

Prior to the season commencing, the CBI General Manager will convene a meeting. It will be necessary that each Club has held their Club sign-on prior to the meeting being held, and each Club will have formed their teams in "draft" form, so that the CBI General Manager can be informed of the following information:

Competition points will commence on and from Week 1. Any variation to the divisions determined will be at the discretion of the CBI General Manager in consultation with the Junior Committee.

4.3 Once teams are registered and Divisions have been determined, players will not be permitted to transfer to another team, unless there are extenuating circumstances whereby **Clause 2.1** above may apply.

4.4 The primary aim in placing teams in 'Divisions' shall be to produce a competition in which all Clubs and teams remain competitive and for the competition to commence in Week one (1) without delay.

4.5 Where the CBI General Manager feels an unfair advantage has been gained by a particular team the CBI General Manager at their discretion may direct a team be split where two or more teams are nominated including suitable lower division teams to form teams of equal ability to improve quality of competition.
