ASSOCIATE MEMBERSHIP

1. An individual or association must apply for conferral by the association of an associate membership pursuant to clause 7.1 of the CBI constitution as follows:
 - (a) Complete, sign, and date an application form demonstrating their interest in the aims of the association or in the case of an association or other body where that entity's constituent documents provide for objects that are similar in substance to any or all the objects of the association as set out in the CBI constitution.
 - (b) Pay the membership fee determined by the management committee pursuant to clause 16.1 of the CBI constitution.
 - (c) Submit the completed application form with the applicable fee payment to the secretary of the association.

2. The application must be in the current form approved by the management committee.
3. The application will be considered at the next management committee meeting pursuant to clause 7 of the CBI Constitution. The management committee may in its absolute discretion, decide whether to admit the applicant as an associate member or decide to allow the applicant to submit further information supporting the application for consideration in a later meeting.
4. The secretary will communicate the decision(s) of the management committee to the applicant.
5. There is no right of appeal from any decision by the management committee about the application for associate membership.
6. An associate membership will end automatically as follows:
 - (a) For management committee members – when their term ends without substitute re-election or appointment; or
 - (b) For parents or guardians of a Junior Member or Playing Member – either when the related junior membership ends and/or the player ceases playing basketball; or
